The Ten Easy Steps:

1. **Fake democracy**

Control the ballot box.

Use compromise and corruption to manipulate elected representatives.

Provide fake political saviours.

2. **Fake a ‘climate crisis’**

Despoil beautiful countryside.

Destroy seascapes.

Block the sun.

Introduce carbon credits.

3. **Create fake pandemics**

Generate fear.

Use injections to reduce fertility and cause premature deaths.

Enforce mandatory injections.

Impose unsustainable pressure on health services.

4. **Trash the economy**

Enforce quantitative easing.

Borrow unsustainably.

Destroy savings.

Introduce tokens as a CBDC.

Remove incentives for entrepreneurs/employers.

Ensure dependency on the state.

5. **Destroy traditions and national identity**

Import illegal aliens.

Imprison/demonetise critics of the state.

Eviscerate the armed forces.

Demonise the white ‘working class’.

Close small farms.

Decimate the fishing industry.

Undermine Christianity whilst protecting other religions.

Disincentivise home ownership.

6. **Demoralise the public**

Encourage the use of illegal ‘recreational’ drugs through media and music.

Promote trash as art.

Use the media, entertainment and opinion polls for brainwashing.

Create soulless housing.

Undermine mental health.

Anaesthetise the gullible with sport and ‘celebrity’ flimflam.

Restrict travel.

7. **Create a 24/7 surveillance network**

Develop ‘15 minute’ cities.

Introduce digital identification.

Construct a facial recognition network.

Politicise the police.

Train illegals as enforcers.

8. **Foster division and civil unrest**

Politicise education and the judiciary.

Encourage gender confusion.

Promote racial division.

9. **Ferment and support never-ending wars**
10. **Comply with the diktats of globalist entities such as the EU**
